

Garden Grove Amateur Softball Association 2012 Sponsorship Request Letter

WON'T YOU PLEASE JOIN OUR EFFORT!

GGASA Fast Pitch Girls Softball team is requesting your support. Our league, for more than thirty years, has offered organized softball to the youth of Garden Grove, Anaheim, Westminster and surrounding cities at our fields at Lake School Park in Garden Grove. We are a NON-PROFIT organization. All of our managers, coaches, team parents and board members are volunteers from our community.

No player is turned away because they cannot pay. For their fee, they receive a team shirt, shorts, socks, team & individual pictures, and a trophy. Each team is supplied with equipment. We also provide umpires, insurance for all players and five fields in a safe playing condition.

To offer a safe, organized softball experience to this many young people requires a lot of financial assistance. Approximately 50% -60% of our operations costs are supplied by registration fees, fund raisers and our snack bar. We depend on you, as community partners, to help us raise the additional funds needed through sponsorships. Private donations in any amount are also greatly appreciated. For every donation \$200 or more the sponsor will get a plaque of appreciation that is displayed on our snack bar building for the year. These sponsorships and donations are tax deductible.

On an average the cost of sponsorships are about \$250 but we welcome any amount you or your company can contribute. Your sponsorship will help provide the team with tournament fees, personalized equipment and pizza parties for their dedication and hard work. These girls will be giving their best this season. Won't you join the effort by sponsoring our team? You'll know that you have helped the young people of the community to develop self-respect, discipline and responsibility. You will be contributing to their involvement in an organization that offers a healthy, fun and safe activity. What a better way to spend your personal dollars? Please help the children of the community by supporting them.
